DECEMBER 4 CHRISTMAS PARTY & ANNUAL

BUSINESS MEETING

Welcome! We'd love to have you join us!

Located in Gloucester Point, Virginia, the York River Yacht Club membership includes boating enthusiasts from along the York River and beyond. Our members include slip holders at our home marina, York River Yacht Haven, as well as of Crown Pointe, Wormley Creek and Dare marinas.

Members enjoy racing, cruising, and socializing. Cruises take place up and down the Chesapeake, and occasionally stray outside its waters. We hold a Wednesday Night Racing Series from April through September, and then a Frostbite Racing Series on Sunday afternoons in the Fall. When not on the water, members enjoy other events, such as an annual blessing of the fleet & sock burning, weekly cocktail parties, special event holiday parties and dinners!

Club dues are \$200/year, to be accompanied by the application.

Prospective members are typically introduced at a YRYC social function by a member in good standing after which their application is considered by the YRYC Board. If you do not know a current club member, please **contact us** and we can make arrangements!

We look forward to having you in the club!

For more information, please contact us at **hi@yryc.org**.
