NOTES

Scoring for the Weekend and Frostbite Spinnaker Series races will be determined using a "Low Point" system according to USSA RRS Appendix A, with the following exceptions:

- a. Yachts starting, but scored as DNF, will score the average of points awarded to all DNF boats assuming all had finished and none had tied. The average will be rounded down to the nearest whole number. For example, if seven boats start and four score DNF, then the four DNF boats will all receive a score of $(4+5+6+7)/4 = 5.5$. The result rounds down to 5.
- b. Yachts registered for a series, but scored as DNC, will score one point more than the number of boats starting that race.
- c. A registered racer serving as Race Committee (RC) will be scored as follows: the average of all scores for the series, excluding throwouts, rounded down to the nearest whole number. Example: individual scores for a series are 2,3,6,(RC),2,3. 6 is the throwout, average of the remainder is 2.5, therefore score for RC duty is 2.

DNC = Did not compete DNF = Did not finish

Series Throwouts

5 or fewer races completed - no throwouts

6 races completed - 1 throwout

7 races completed - 2 throwouts

Course Types: WL - Windward/Leeward CR - Circular Random

Spinnaker Penalty: if a spinnaker launch is attempted (successful or not), a rating penalty of 30 seconds/mile will be applied

Ties

Individual race ties will be scored in accordance with USSA RRS Appendix A7.

Series ties will be broken in accordance with USSA RRS Appendix A8 except as noted in the YRYC Race Rules & Guidelines.

YRYC Time-on-Time Scoring:

Corrected Time (seconds) = Elapsed Time (seconds) x TCF

where $TCF = \frac{A}{B + PHRF}$

$A = B + (\text{MinRtg} + \text{MaxRtg})/2$

PHRF = Assigned PHRF rating

MinRtg = Minimum PHRF rating in that fleet

MaxRtg = Maximum PHRF rating in that fleet

B Factor Selection Criteria (per race)

480	Heavy Air (avg spd 1st finisher >6 knots) or all off the wind
550	Average conditions (avg spd 1st finisher >4.5 and <=6 knots)
600	Light air (avg spd 1st finisher <=4.5 knots) or all windward work
